Wool Wax Creme
Skin Care
AT-10

P.O. Box 186
Terry, MT 59349
(406) 486-5533

MATERIAL SAFETY DATA

Product: Wool Wax Creme, Formula AT-10
Ingredients: Propylene Glycol, Cetyl Alcohol, Glycero-Mono-Stearate, Lanolin, Perfume, Distilled Water
Appearance: White Solid
Odor--Slight Perfume
Melting point--118 F.
Solubility in Water--Dispersable
Hazardous Ingredients: None
Physical Data:
Boiling point--N/A
Solubility in water--Dispersable
Specific Gravity--0.97
Volatile by volume--N/A

Fire and Explosion Hazard
Flammable limits (not established)
Extinguishing Media--C-2 Foam, Dry Chemical, Water Spray

Special Fighting Procedures--Treat as hot oil or fat. If water must be used, use a fog nozzle to avoid spattering of hot material

Unusual Fire and Explosion Hazard--None

Reactivity Data: Stable
Incompatibilities: Avoid contact with strong oxidizers, acids and alkalis
Hazardous polymerization: Will not occur
Spill or Leak Procedures: Scoop and disperse as solid waste
Disposal Methods: Incinerate or landfill as permitted by Federal, State, and local laws

Health Hazard Data:
Oral--non lethal, non toxic
Eye irritation--mild irritant
Skin irritation--very soothing to skin except persons allergic to lanolin

Emergency and First Aid Information:
Ingestion--no special needs anticipated
Eye contact--flush with water
Skin contact--no special needs anticipated

Special Protection Information
Respiratory--No special needs anticipated
Ventilation requirements--none
Protective Gloves--None
Other protective equipment--eye bath

Precautions in handling and storing:
Do not store in direct sunlight or extreme heat.
